JV Boys Volleyball Practice/Game/Snack Schedule 2011

Greetings! Please keep this schedule handy so you remember what is going on. You'll notice we mostly have activities on Mondays, Tuesdays and Thursdays. ***We will need parent drivers for our away games – please let me know if you can drive***. For snacks, we will need enough for 9 players and 2 coaches (and at our home games, 2 volunteer officials). Please keep the snacks simple and healthy. **The girls' games start at 3:30 - except where noted - and the boys will start around 4:30**. Home games should be wrapped up by 5:45 and we should return to school from away games around 6:15. All practices will be from 3:00 to 4:00 followed by a 30 min optional scrimmage.

Attention!!!

Please let us know ahead of time if you will be missing part or all of a game or practice. We would prefer to know days in advance, rather than minutes in advance… Players who receive a detention during the season for any reason will be required to sit out 1 game. Players who miss a practice for any reason will be expected to show up at the next game, but *may* receive limited playing time, if any. Players who are not picked up by 4:45 after practices will be sent to day care and charged for the time spent there.

We're looking forward to a fun and exciting season of Saint Volleyball! Please let us know if you have any questions or concerns as the season progresses.

Go Saints!

Attention!!!

Since we had 15 girls try out for the team, and we don't want to have more than 12 players at a game, I have divided 6 of the 5th grade girls into 2 groups – A & B. All girls are expected to come to all practices, but the girls in Group A and B are to only attend the games marked A or B. These 6 girls will obviously get less playing time than the other 9 girls, but should gain valuable skills and experience as the season unfolds.

Group A: Kira, Cody, Sierra. Group B: Iwalani, Jenna

We're looking forward to a fun and exciting season of Saint Volleyball! Please let us know if you have any questions or concerns as the season progresses.

Go Saints!
