# Faith Island

Our Savior Lutheran Church Sunday School  
Sundays 9:37-10:22

### Dear Parents and Guardians,

Your family is important to Our Savior, and we want to support your role as spiritual leader to your child and partner with you in your child's Christian education. Research shows that the most powerful influence on children's faith development is conversations about faith that take place in the home.

Every Sunday, children from PK to 8th grade are welcome to join us at Faith Island, Our Savior's Sunday School programming. This school year, we'll be going through "The Story." From September to May, we'll journey from Genesis to Revelation as we explore how God's story is our story.

With the resources that are part of "The Story," you can contribute to your child's Christian growth by leading activities and discussions that help make connections and apply what's learned at church to daily life. Every week, your child will receive a take-home page that includes ideas for family discussions and activities that will help cement what your child learns at church.

All "The Story" resources—for PK through adults—explore the same Bible story each week, making it easier for you to help your family grow in faith together. This fall, we hope you'll find encouragement in your role as a parent and a spiritual leader to your child. May these tools serve to remind you how important you are in your child's life and how blessed you are to be entrusted with this awesome responsibility!

"The Story" will kick off on September 3! Classes will be available to PK-3rd grade, 4th-8th grade, and adults. We hope to see your child there and look forward to experiencing "The Story" together!

In Christ,
